

THE BIRMINGHAM & MIDLAND INSTITUTE

NOMINATION FORM FOR PRESIDENT

The President is elected at the Annual General Meeting and will be a high-profile champion of the Institute.

It is important that the President is eminent in their field, which is synonymous with the objects of the Institute, so that they may serve to promote the Institute in their term of office. Mindful of the fact that the Institute is established for the Diffusion and Advancement of Science, Literature and Art, in essence it is about cultural enrichment through the important tenets of the Institute's objects as a place of learning and as a charity established to promote these fundamental principles to all people across Birmingham and the Midland counties.

Instructions for completing Form

This form should be completed by a member of the Institute. Please provide as much information as possible, which will help in the selection of a President. The completed Form should be returned to the Honorary Secretary at secretary@bmi.org.uk

Completed Forms must be submitted by **30th April** for consideration for the following year.
